Darling Downs Rile Club Open Prize Meeting 30 Nov 2008

Last Sunday at our OPM, the club fired a "last shot" for an old life-member, Mick Fletcher, 90 years young and a real character. Gordon Collie took some notes and it may be that an article will appear in publications [as Gordon's work has done consistently in the past] that you will see.

I am asking that anyone seeing such a story give me a heads-up so that I can inform the family, as I am sure they would be delighted to know about it.

I also added our recently fallen soldiers into our minute's silence. Lt Fussell [4 RAR], lost last week, was an old boy from TAS.

We had 87 entries on Sunday. Must have been tricky at times, Pete Scovell rang the bell in A, Isaac Francis in B [welcome to A grade, this is a big step and pickings will be leaner,but.... he is 14 and 2 months of age. I predict he will rattle some big cages pretty soon in A], Ian Lacey in C, Fs John Kielly, Fo Cam McEwan. Vet was an Ayr shooter Len Soloman, and Erica Young had a great shoot, getting U25 and Ladies.

Hoping you all ave a great, safe festive season,

Jim
