## The Queensland Rifle Association

The Queensland Rifle Association was founded in 1877 and fosters target rifle shooting and firearms training through our clubs. Different classes of rifle shooting are conducted by our Clubs under the Standard Shooting Rules (SSRs) of the National Rifle Association of Australia (NRAA).

### New Shooters

New shooters are invited to contact the Queensland Rifle Association and book in for our new shooter introduction sessions which hosted on the first Saturday of the month by different clubs.

### Eligibility

Shooting is open to men and women of all ages; Queensland law designates that a person using a rifle must be a minimum of 11 years of age and adults 18 years and over must be eligible for a Queensland Licence.

### Firearms Licence Training Courses

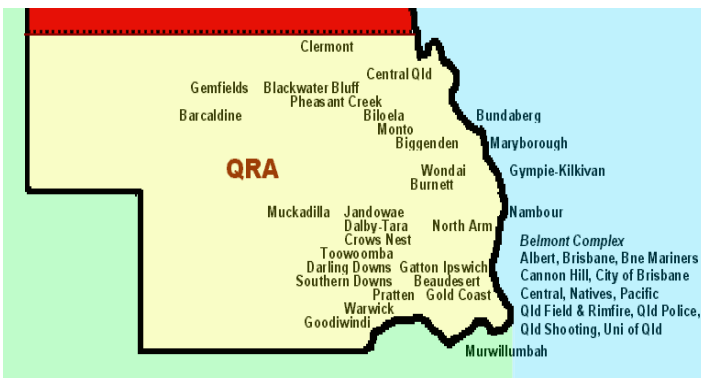

The QRA regularly runs training courses which are required before applying for a Queensland firearms licence.

### Teams

Queensland has successful representative teams in all disciplines including an Under 25 target rifle team.

### Clubs

QRA Clubs operate around the state. Contact the QRA office for a list of Club Secretaries.

## Classes of Rifle Shooting

**Target Rifle** Full bore bolt action target rifle with peep sights up to 7.62mm/.308 calibre, fired at 300 to 1000 yards/metres.

**300 Metre ISSF** Full bore bolt action rifle with peep sights 7.62mm/.308 calibre, fired at 300 metres

**Match Rifle** Full bore bolt action target rifle with peep or telescopic sights, 7.62mm/.308 calibre, fired at 1000 to 1200 yards/metres.

**F Class - Scope Rifle** Full bore bolt action target rifle with telescopic sights and rests, up to 8mm, fired at 300 to 1000 yards/metres.

**Field Class** Full bore bolt action rifle up to 8mm, magazines permitted, fired at 100 to 300 yards/metres.

**Rimfire Class** Small bore bolt action rifle .22 calibre, fired at 30 - 90 yards/metres.

**Long Range Black Powder** Muzzle loading, percussion breach loading and metallic cartridge single shot rifles from .45 to .58 calibre, fired at 300 to 1000 yards.

**Service Rifle** Approved rifles up to 7.62mm, magazines permitted, fired at 100 to 300 yards/metres.

Shooting is conducted under the Standard Shooting Rules (SSRs) of the National Rifle Association of Australia.

Long range matches are fired at distances of 300 to 900 metres and 300 to 1000 yards from the lying or prone position.

Bruce Scott won Gold and Silver medals in full bore at the Commonwealth Games in Melbourne 2006.

## The Queens Prize State Championship

The Queensland Rifle Association was formed in 1877 and Queensland's first Championship 'the Queen's Prize' was shot at Victoria Park in 1878. The Metropolitan Rifle Range was moved to Toowong in 1887, then Enoggera in 1910 and finally Belmont in 1964. The competition has been named the Queen's or King's Prize shoot depending on the reigning monarch. The Queens Prize is contested annually in August at the Belmont Shooting Complex in Brisbane.
